Sustainable Ag & Food Entrepreneurship**

"Become an international expert based on French know-how"

The 1st BSc & MSc Integrated Program **100% in English**

Engineering Master Degree in Agronomy and Agro-industry

DEAN'S WELCOME WORDS

Founded in 1855, UniLaSalle has been training students with 3 main objectives: **personal fulfillment**, **academic excellence** and **ability to face challenges**.

Are you looking for an **international career**, while contributing to resolve the major challenges your community or our planet are facing? By joining the i-SAFE BSc / MSc program you will acquire key competencies to deal with **agricultural, food and environmental issues** as well as **in-depth know-how in business**. The solutions lie also in the hands of international **entrepreneurs!**

At UniLaSalle, you will join a **vibrant student community** and create life long friendships. In the **heart of Europe**, you will discover new cultures and fascinating regions, with many opportunities to explore.

The entire educational community at UniLaSalle is mobilized to make these 5 years a turning point in your life.

See you in September,

Marie Lummerzheim, PhD.
Dean of UniLaSalle Rouen

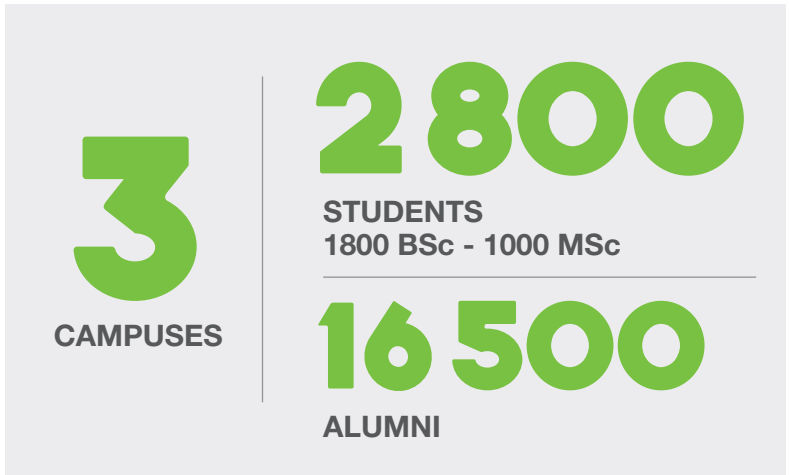

"I loved my time here! This has been a one of kind experience with incredible people from around the world. The vast majority of classes exceeded my expectations and allowed for me to learn great amounts of perspective."

Timothy Hoheneder,
Inbound Student 2018 – USA

81 %
of our students found a position before graduation

(CGE survey UniLaSalle 2018)

Choose France

- Discover the French "art de vivre" and gastronomy
- Study Ag. & Food in France, top European producer of agricultural goods
- Learn French**, the world's most commonly spoken language by 2050 (Natixis 2018)

Try Normandy

- Normandy: **Top region to visit** (Lonely Planet 2018)
- Experience the **vibrant city of Rouen**, a safe city on a human scale with 43,000 Students and 5,000 International Students
