TWO CITIES TO DISCOVER

Lyon

Benefit from the exiting cultural life of Lyon, the second biggest city in France: concerts, festivals, sports, museum and theaters. Lyon is the perfect city for student life: bars, clubs and restaurants will welcome you all through summer.

Lyon is the gastronomical capital of France and has many historic landmarks.

Several districts of Lyon such as Vieux-Lyon, Fourvière, Croix-Rousse and the Presqu'île are UNESCO World Heritage Sites.

Don't miss the music Festival Les Nuits de Fourvières to experience a concert in the ancient Roman theater.

Annecy

Annecy is a Mountain city situated next to a lake, near the mountains with a more relaxed holiday atmosphere where outdoor activities will be high up on your agenda.

The medieval historic centre of Annecy is an invitation to stroll and discover. With its cobbled streets, its colourful and emblematic buildings, the Venice of the Alps is a city rich in heritage. In the heart of Haute-Savoie, mountains of Lake Annecy offer stunning scenery and exceptional playgrounds. They are a breath of fresh air for all nature lovers. The preserved area of Lake Annecy is a dream setting. Beaches, water sports, walks, cycle paths, magical panoramas, nature reserves, castles.

Let's discover the shores of its turquoise and transparent waters.
